

Barranquilla, November 6th of 2018

Invitation Letter for Inviting Professor Marco Antonio Meggiolaro

Dear. Prof. Marco Antonio Meggiolaro

We are pleased to invite you to our Mechanical Engineering Department as inviting Professor from 20th to 24th of November 2018. During your stay, it is expected that you teach the graduate course: **Multiaxial Fatigue in metals**, which will be offer for graduate students during two days (21st and 22nd). On 23rd it is expected that you have one meeting with faculty members and other one with gradate students to exchange research ideas and explore possibilities to begin collaboration work in common research topics.

Looking forward to having you in our Department soon,

Ing. Habib Zambrano Rodríguez, PhD., MSc.

Head of Mechanical Engineering Department
Assistant Professor, Mechanical Engineering Department
Universidad del norte, <http://www.uninorte.edu.co/>
KM 5 Vía Pto. Colombia, Barranquilla, Colombia
